**4 COUNCIL MATTERS**

**4.1** Chairperson's Report (Einir Williams):

"Dear Councillors and friends,

It has been a great pleasure representing this special council as a chair over the past year. I feel proud that we have managed to conduct the council's work for over a year without a clerk, with each of the regular councillors pulling their weight by using their own individual strengths.

I attended a chair course on behalf of the Council in the Autumn and heard experiences from other attendees that not all councils get along and work as good together as Llangernyw Community Council.

It was a great asset welcoming Enlli as a minutes clerk – she has taken significant weight off the shoulders of those of us who had been keeping the minutes previously. Her work is on time, tidy and correct.

I would like to thank all of you for your support throughout the year, and look forward to Clwyd's chair over the coming year. Thank you all very much. Regards, Einir"

DR, on behalf of the Council, thanked EW for her hard work over the year.
